TKC song 2021 “We seek your Kingdom” to tune of “Abide with me”. The lyrics are available on their website.

Lord, we ask you to forgive us when we haven’t engaged with You or sought your Kingdom, either for ourselves or for others. Help us to seek your Kingdom as a high priority, so that your Kingdom come in every part of our lives. Please come, transform, revive and heal our Society at this time. May your peace, truth and justice reign everywhere. Encourage in us a call to action, and declaration that each of us can join in God’s Kingdom work right where we are and a prayer that through ordinary Christians, like you and me, God will transform, revive and heal our society. Amen

Pray for your five people you are wanting to see come in to God’s Kingdom, for them to be aware of Jesus, his sacrifice for them and the gift of eternal life. May their lives be turned round, their sins forgiven and the assurance be theirs of eternal life. Send your Holy Spirit to encourage them & may we play our part in speaking the right words at the right time to them.

The Kingdom of God

- a. “the poor in Spirit, the Kingdom of God is theirs”
- b. “Come, you blessed of my Father to inherit the Kingdom prepared for you from the foundation of the World”
- c. “if a kingdom is divided against itself, that kingdom will not stand”

“All authority in Heaven and on Earth have been given to me”

Lord, remind us afresh that you are the One with all authority, greater than government and civic powers, than all earthly authority and leaders. Thank you that your Kingdom is an eternal one and you are coming to claim your Kingdom.

Amen
